## Reopening of our churches

We have been working hard to re-open our churches across the Mission Community. Services do feel very different as we seek to keep each other and our communities safe.

As we continue to undertake the necessary COVID-19 Secure measures in our churches we are able to continue to hold church services with more than six people in attendance but groups of up to 6 must not mix or form larger groups.

We make hand sanitiser available. Face masks are required unless people are exempt from wearing them and seating is set out to provide for social distancing.

We need to ask those who attend for contact details for track and trace and we now have QR code posters for each of our churches to use with the NHS Covid-19 App for contact tracing.

Services are shorter and, as yet, we cannot all sing together.

Where Holy Communion is offered it is limited to the distribution of wafers only.

Some of our churches have chosen not to advertise services widely and others are operating a booking system to ensure that places are available for everyone on the day.
